THE ETERNAL STORY

Eternal Wedding Package 2026

This is the story of belonging. Of love so complete it transforms everyone it touches. Of a celebration that doesn't end when the music stops but echoes forward into every day that follows. At The Luna Uluwatu, we create the experience your grandchildren will ask about. The story that gets retold at every anniversary. The day that becomes legend.

Morning Time: Where Lineages Meet

The ceremony in the Crest Hall feels less like a beginning and more like a continuation, of family lines, of traditions, of love passed down and now passed forward.

The morning refreshments feel abundant, artisanal everything and coffee that warms from the inside out.

Morning Refreshments

Artisanal coffee & premium tea | Free-flow non-alcoholic beverages

Afternoon Time: Forever Is Echoing Across The Room

The ceremony sound is pristine. Your vows carry across the space and out over the ocean, as if the universe itself is listening.

When you exchange rings, the thread between you becomes unbreakable. Because of the witnesses who just agreed to hold your marriage in their hearts.

Afterward, the cocktail hour feels like a party within a party. Four canapé selections, some delicate, some bold, all unforgettable.

Canapés Hour

4 chef's premium canapés | Free-flow non-alcoholic beverages

Ceremony Privileges

Sky Terrace exclusive use | Tiffany chairs | Ceremony sound system

Evening Time: Where Time Stop Mattering

The reception begins with your entrance, and from that moment, everything feels inevitable and perfect. A five-course dinner unfolds slowly, luxuriously, each plate a revelation, each pause between courses a chance to appreciate who you're surrounded by.

It's not just the luxury or the abundance. It's the feeling that this night exists outside of time. That somehow, you've created a pocket of forever where everyone you love most gets to celebrate the love they've always known would find you.

As you finally prepare to leave, you realize the thread has woven itself through everyone who was here. Your wedding didn't just connect you, it connected a community. And that community will carry this weekend forward forever.
