THE LUXE STORY

Luxe Wedding Package 2026

This is the story of revelation. Of love that doesn't whisper but shines. Of a celebration that matches the magnitude of what you've found in each other.

At The Luna Uluwatu, we amplify your joy, turning recognition into radiance, promise into spectacle, intimate into unforgettable.

Morning Time: Where Traditions Glow

In the Crest Hall, your Pemberkatan ceremony feels different from the start, more expansive, more luminous. Perhaps it's the way morning light pours through the space, or the way your families fill every corner with presence and pride. But something has shifted.

We welcome your guests with artisanal coffee and premium teas. Even breakfast feels like celebration here.

Artisanal coffee & premium tea

Afternoon Time: The Thread Illuminated

On the Sky Terrace, surrounded by your closest, you make your vows.

Perhaps it's the string quartet playing as you walk down the aisle, or the way the ocean wind carries your words out over the cliffs. This is the moment your love stops being private and becomes witnessed, celebrated, known.

Afterward, canapés and cocktails flow freely. Four of our chef's creations, each more stunning than the last.

Evening Time: Where Joy Takes Root

The reception begins not with a whisper but with applause.

The MC guides the evening with warmth and precision, ensuring every moment lands exactly as it should. A four-course dinner unfolds, each plate a small work of art, each bite designed to surprise and delight.

Speeches are given, tears are shed, dances are shared. The beverages never stop flowing, hours of toasts and celebration and the kind of joy that makes your face hurt from smiling.

Where the Glow Lingers

The Bridal Suite awaits, but tonight it feels different, charged with the energy of what just unfolded. Two Deluxe Rooms hold your closest family, near enough to feel the celebration's echo, private enough to dream. Tomorrow, you'll wake to a day-after brunch, one last gathering before everyone returns to their lives, forever changed by what they witnessed.

And in this suite, in this moment, you understand: you didn't just find each other. You illuminated each other.
