THE SIGNATURE STORY

Signature Wedding Package 2026

This is the story of recognition. Of finding the person who feels like home. Of knowing, with sudden and complete certainty, that your search is over.

At The Luna Uluwatu, we honour this quiet miracle, the simplicity of two people choosing each other, witnessed by those who matter most.

Morning Time: Where Hearts Gather

The day begins as all meaningful things do: softly, intimately, surrounded by the people who have loved you longest.

In the Crest Hall, morning light filters through as your families unite.

Afternoon Time: The Spoken Promises

When you step onto the Sky Terrace, the red thread becomes visible, not to the eye, but to the heart.

With Uluwatu's ocean breathing below, your guests sit in elegant Tiffany chairs, bearing witness. The ceremony sound carries your vows across the space, and for this moment, the entire world pauses.

Evening Time: Where Joy Takes Root

As the sky turns amber and the day's warmth lingers, you gather your closest around tables dressed with care.

A three-course dinner unfolds, each plate a testament to craft and attention. The beverages flow freely for four hours and every dietary need is anticipated, honoured, handled with grace.

This is the celebration that feels effortless because every detail has been tended to. This is the evening where your thread becomes a tapestry.

The First Night of Forever

When the last guest departs and the music fades, retreat to your Bridal Suite, a sanctuary designed for two souls who have just promised each other everything.

Your closest family rests nearby in two Deluxe Rooms. Tomorrow morning will arrive softly, without urgency. But tonight belongs only to you and the quiet recognition that your life has changed completely.

And here, finally, is home.
